

INTRODUCING THE GIGA VAULT®!

A New Standard in Capacity

VAULT®
Penetration Protection

A HIGH-CAPACITY SOLUTION FOR LARGER PROJECTS

Now available in 44"L x 36" W x 36" H

The GIGA VAULT® gives customers a faster, more flexible option for larger projects without requiring a custom build. It offers a practical way to reduce lead time while maintaining the same engineered reliability expected from every RPH product.

Beginning **January 5, 2026**, the GIGA will be maintained in inventory as a standard product for immediate shipment. Orders placed prior to stocking will follow an eight to ten week lead time.
